OPEN SHARE ISSUE FOR A MEDICAL DEVICE DEVELOPMENT

Medicortex Finland Oy is seeking investments for the development of a rapid diagnostic test to detect concussion and mild traumatic brain injury. The company board has decided to issue new shares worth total of 500,000 € – representing 6.2% of the company's equity – for completing clinical trials and developing the diagnostic kit.

MINIMUM INVESTMENT IS 5,000 € (1,000 SHARES, 5€ / SHARE).

Earlier funding: 1.4 M€ from angel investors, 291 k€ from Tekes and 30 k€ as awards. The company was awarded an EU's Horizon 2020 Phase I grant of 50 k€. The current valuation of the company is 7.5 M€.

To receive the investor package, please call our office (+358 400 870 366) or send us an e-mail to medicortex@medicortex.fi.

More information about the share issue and subscription of shares is available on our website www.medicortex.fi/investors.
